
PROJECT NAME:

Royal Arthur Park, Phase 1a & 1b, Corsham, Wiltshire

CONTRACT LENGTH:

61 weeks

VALUE:

£4.5 million

Working with main contractor Morgan Sindall, Dodd Group has successfully secured Royal Arthur Park, on the site of the former HMS Royal Arthur navy training college in Corsham, Wiltshire.

The village at Royal Arthur Park has been designed by London-concept architect, Pencil and Ink and will consist of clusters of courtyard apartments built around wellbeing and social facilities.

Royal Arthur Park has 221 residential units and benefits from a range of leisure facilities, including a restaurant, library and a wellness centre complete with pool, sauna, and treatment rooms.

Royal Arthur Park is a historic location and is blessed with a peaceful and attractive, rural outlook. The residential units are specified to the highest standards and the finished village will be a marvellous place for people to enjoy retirement.
