
PROJECT NAME:

MANCHESTER UNIVERSITY NHS FOUNDATION TRUST

CLIENT:

Sodexo Facilities Management

LOCATION:

Manchester

M&E ORDER VALUE:

£2m

Working in partnership with Sodexo Facilities Management, Dodd Group was invited to manage and co-ordinate the rectification and replacement of emergency lighting and associated verification of emergency lighting systems throughout the site.

Essential programming of the works was required to provide minimum disruption to a live hospital ensuring hospital staff and the general public were able to access/egress areas with ease.

Logistical operations were vital due to limited space for materials

Sites included:

- Manchester Royal Infirmary
- Royal Manchester Children's Hospital
- Manchester Royal Eye Hospital
- University Dental Hospital of Manchester
- St Mary's Hospital
- All associated Ancillary Buildings
