

WORK EXPERIENCE IN SANDWELL

The first tranche of year 12 students from Sandwell Academy have completed their one week work experience programme with Dodd Group and have been presented with certificates by Matthew Lewis, Managing Director of the Property Care division.

As part of this initiative, which sees Dodd Group partner with a local school to promote STEM, a total of 12 students will undertake a week of work experience covering all the support functions of the business including Finance, Estimating, Stores, Marketing and Contract Administration.
