

Meet the Buyer Event

Wednesday 18th March 2026
11:00 AM - 15:00 PM

Edmundson Electrical, Mainstream Way,
Birmingham, B7 4SN

Opportunities at Dodd Group

- ▶ Dodd Group is a nationwide provider of property services, with almost 80 years of experience and a robust portfolio of major clients.
- ▶ Based in Telford, we operate via a local service delivery model, favouring local suppliers. Our Property Services division has seen impressive growth over the past few years, and we're eager to expand our existing supply chains across the West Midlands.

About the Event

- ▶ We invite you to join us at the upstairs event space at Edmundson Electrical, Birmingham, for a relaxed pop-in session. You'll have a chance to meet representatives from our retrofit and electrical teams. This is a fantastic opportunity for sub-contractors and MSME's to strengthen their local connections, network with other professionals and discover new opportunities— all while enjoying some refreshments!

Meet our Retrofit Team

- ▶ Our Retrofit and Building Services team offer a wide range of creative solutions to help clients modernise existing buildings while ensuring PAS and MCS compliance. Our head of division, Dan Camp, will be ready to welcome you and chat about our exciting opportunities.

Our Electrical Expertise

- ▶ We have a proven history of delivering quality electrical services, maintaining relationships with major clients, including BT and a wide range of local authorities. You'll have the chance to meet our Electrical Services Director, Ian Gregory, who is currently seeking experienced engineers to undertake local electrical works across the East and West Midlands.
